

DESIGNZ

rePurpose, reCreate, reDesign

Andrea Schwartz, IRIS

Andrea has more than 20 years experience in the design field. From her experiences with detailed event planning, she has transformed ordinary ballrooms and restaurant spaces into extraordinary environments. In the retail jewelry business, she has created artistic displays that invite purchases. Color and accessorizing are her forte. DESIGNZ combines all these talents to create the homes of her clients' dreams. She will economically transform your home from "blah" to "ahhh" as seen on and inspired by HGTV.

Whether choosing an Interior ReDesign, Interior Design or Real Estate Staging, Andrea will provide you with excellent personalized service, show creativity and provide resourcefulness. She will always be attentive and responsive in communicating with you. Andrea will provide choices, honesty and confidentiality. With all these qualities and services, you are guaranteed a very positive outcome.
