

Workhouse Camp Counselor

Spring Break and Summer Camp Opportunities

Are you looking for employment on your Spring or Summer Break? Do you love art and working with children? If you answered, "YES", then the Youth Arts Camp Program might be right for you! We are searching for enthusiastic Camp Counselors for our Spring and Summer seasons! Our counselors are invaluable staff members who dedicate their whole day to one group of campers. They are role models who assist and motivate campers whether they are trying to learn a new skill, overcome an issue or desire to develop new ideas! Throughout the day, our counselors monitor and participate in the group's activities, doing everything in their power to make each of their campers' experience the best yet! Workhouse Camp Counselors must be fun-loving, patient and genuinely concerned for the welfare and development of the youth. If you are interested, please submit your resume and cover letter to Camp Director, Joshua Stout at joshstout@workhousearts.org, stating your experience in the arts, and why you feel you would be a good fit for our camp.
