

Our Volunteers Are Stars

The Workhouse Arts Center needs volunteers to help with our Drive In Movies.

7:30pm – 11:30pm, Friday and Saturday Nights starting June 12th through the 27th

Don't worry at the beginning of each shift, we will everyone give brief description on what needs to be done. Basically, we need volunteers to help us by:

- Checking in guests, share information on bathrooms and parking instruction.
- Assisting Parking Lead using baton-style flashlights to guide vehicles to appropriate parking locations. *Only volunteer for this is you are comfortable standing/walking for the first 75 minutes of the shift.*
- Assisting guests as they pick-up their pre-ordered and pre-packaged refreshments at the designated Refreshment Table. No sales will be made, only pre-order pick-ups.
- Throughout night, help guests locate bathroom, guide guests to refreshment pick-up table, and generally help maintain social distancing and face covering guidelines required for this event. Volunteers will not be asked enforce compliance, but may be asked to let a Workhouse staffer or Security Officer know.
- After the movie, assist Parking Lead to help guests leave the campus in a safe and orderly fashion.

If helping the Workhouse and seeing a movie sounds fun, follow this link [here](#) to Sign Up!

Special Notes:

- The WAC will provide the PPE equipment and a yellow safety vest.
- Please note that there will likely be some downtime once the film begins
- This is an outdoor event and is subject to cancellation if inclement weather is imminent. If weather is questionable, please check Workhouse website to confirm that the event will be running that night.

Caring is Sharing

Care about the Workhouse Arts Center, but don't have the time or bandwidth to remote volunteer? That's okay. Sharing any or all of the following links to your social media to help our virtual exhibits, online learning opportunities, and virtual events to go viral will be a huge help!

Thank you for your support.
